KAGUYA SHINOMIYA

Kaguya Shinomiya

- ◆ Shuchiin Academy High School Second-Year
- ◆ Student Council Vice President
- ◆ Notable characteristics:
stunning beauty
- ◆ Main character in this story

The daughter of the Shinomiya Group, one of the top four business conglomerates in the country. A universal genius, skilled at just about everything.

She naturally looks down upon others, and her first thought is how to use other people for her benefit. It is unclear whether she was born this way or if it is the result of the Shinomiya family's sense of entitlement being ingrained in her.

Kaguya had little interaction with others before joining the student council, but her social ties appear to be expanding.

She is a 100 percent pure, innocent and sheltered girl. Her naïveté is revealed when we least expect it.

She doesn't understand love.
It's going to take a while.
